

JetPower 180

High pressure pump unit

Compact power for versatile applications.

The mobile JetPower 180 offers an unbeatable ratio of high performance to a low weight. This makes it suitable for almost any application while being easy to handle – you can even transport it with a suitable car.

Highlights

- Professional class, mobile, compact unit
- Multi-variable application suitable for almost any task
- Sufficient power reserves in the most restricted space
- Flexible: can be used for the most delicate work right up to removal and erosion work on large surfaces
- An excellent power to weight ratio that is unique to the market in this form

Technical data	JetPower 180
Pump type	KD724-G
Flow rate (l/min)	104 (800 bar), 87 (1000 bar), 63 (1200 bar), 50 (1600 bar), 40 (2000 bar), 28 (2800 bar) 25 (3000 bar)
Driving power	180 kW
Diesel fuel tank	280 l
Measurements	4670 x 2070 x 2210 mm
Net weight	3000 kg
1 bar = 14.5038 psi, 1l = 0.26417 Gal., 1kW = 1.3410 HP, 1mm = 0.03937 inch
